## NYS Grades 3-8 Tests (ELA & Math)

- Spring 2027 window: typically late April-early May; final dates published by NYSED

---

### Planning tip from ConnectPrep:

Juniors aiming for fall senior-year applications should plan 2-3 sittings: a first official test by December of junior year, a second in the spring, and a summer/fall retake if needed. Colleges superscore - your best sections across dates count.
